

Fireflies by Owl City

You _____ not believe your _____ if
ten million fireflies
Lit up the _____ as I fell _____
'Cause they'd fill the _____ air and
leave _____ everywhere
You'd think me _____, but I would just
_____ and stare

I'd like to make myself _____
That _____ Earth turns slowly
It's hard to say that I'd _____ stay
_____ when I'm asleep
'Cause everything is _____ as it seems

'Cause I'd get a thousand _____ from
ten thousand lightning _____
As they tried to teach me how to _____
A foxtrot above my head,
a _____ hop beneath my bed
A disco _____ is just _____ by a
thread

I'd like to _____ myself believe
That planet Earth turns _____
It's _____ to say _____ I'd rather stay
awake when I'm asleep
'Cause _____ is never as it seems
(When I fall asleep)

_____ my door _____ just a crack
'Cause I _____ like _____ an
insomniac
_____ do I tire of _____ sheep
When I'm _____ too tired to _____
asleep?

To ten million fireflies, I'm _____ 'cause
I _____ goodbyes
I _____ misty eyes as they _____
farewell (They said farewell)

But I'll _____ where _____ are if my
dreams get _____ bizarre
'Cause I _____ a few and I _____
them in a jar (Jar, jar, jar)

I'd like to _____ myself believe
That planet Earth _____ slowly
It's _____ to say that I'd rather _____
awake when I'm asleep
'Cause everything is never _____ it
seems (When I fall asleep)
X2

I'd _____ to make myself _____
That planet Earth turns slowly
It's hard to _____ that I'd _____ stay
awake when I'm asleep
Because my _____ are _____ at the
seams
