06 Which is the best summary A, B or C for this graph in Exercise 5?

- A** Both lines went up and down a lot. Line A changed much more than Line B.
- B** The biggest changes for Line A will happen in the last ten years shown on the graph. However, Line B had its own most important changes earlier, especially between 2005 and 2015.
- C** Line A went up to 40% in 2010, then down to 20% by 2020, and then up to 75% in 2025 and back down to 65%, so there was a lot of change. Line B increased to 75% in 2015, then went down to 40% in 2020, so a lot of change there as well. It didn't change much after that, only up by 10% and then down by 5%.

07 Read an email from a grandfather to his teenage grandson and underline the correct answers.

The screenshot shows an email client window. At the top, there are window control buttons (red, yellow, green) and navigation arrows. The email header bar is blue and contains the text 'To: Richard' and 'From: Grandad'. To the right of the header are links for 'Reply' and 'Forward' and an envelope icon. The main body of the email is white and contains the following text:

Hello Richard,

I have some news – **1 I will / I'm going to / I going to** buy a smartphone. Your mum told me that you have the **2 latest model / later modern / late model**, but I don't need anything that good. In fact, I don't mind if it's a bit **3 out of order / out of time / out of date** – I'll be happy with something a bit older, like me! I see a lot of advertisements for phones with great **4 features / devices / websites**, but I don't need most of them. I just want to make calls and play some card games. It will be strange to play cards by **5 swiping / sweeping / swapping** a **6 charger / screen / case**. Your mother also said that your smartphone has a lot of **7 memory / memories / memry**. What does that mean? Let me guess – I think it probably means that you have a lot of space to **8 stand / store / shop** apps and files and things. I'm learning already! Anyway, I know your phone has a silver **9 case / screen / battery** but I would prefer mine in black.

Can you help me to look online and find one?

Thanks!

Grandad
