

GREAT EXPECTATIONS

By: Sienna Spiro

In my head, you lay down next to me Kiss my lips, hold me _____ Say _____ and feel all the withdrawals But it's not the same in _____ I say your name, but you don't _____ to me 'Til you got something you need me for Verse 1 So I sing just to know I'm _____ And I cried all the tears I could cry If happiness is just an _____ You were _____ I ever had If you can't be what I want And the things you say are true All I need is the great expectation of you Expectation of you	The tracks of my tears go back for years When I was young, I've always had the fears One would leave, so I held on _____ But to <u>each</u> their own, you _____ a lot It's black and white, but I go back and change the plot Just to have you in the way I want, so I Back to Verse 1 Cry my tears and let 'em dry (mm, expectation of you) Cry my tears and testify You exist inside _____ You, so Back to verse 1
