My Family Pictures by Karen Shaw

This is my favorite photo. We were on vacation with our cousins last summer. They live near the beach. It was my cousin Tom's birthday. In the morning, we went to the beach with my aunt and uncle. We didn't go in the ocean. We built a sandcastle and ate ice cream. Then we went back to the house.

In this picture, we were having a party. It was cloudy, but we set a table in the yard and had a picnic. We were telling jokes and playing games outside all afternoon. We bought a lot of presents for Tom, and he opened them in the evening. It was a great day and a really happy memory.
