Lost Luggage

Two years ago, I went on holiday to Rome with my family. It was a four-hour train journey from our home, and we all helped to plan the trip. We were looking forward to seeing the famous sights! Everything went really well and we had a great time visiting the amazing tourist attractions. I was in charge of taking all the photos with my brand new phone, which had an excellent camera. We stayed in Rome for two weeks, and it was really incredible.

On the train journey back home, I decided to open my backpack, but I couldn't find it.

16 _____ I was very upset because I'd packed my phone in that backpack, along with my travel journal. **17** _____ Weeks passed, and then months. At first, I contacted the train company every week, but after some time, it was clear that my backpack was never going to be found. After a while, I forgot all about it.

Last month, I took the train to Florence on a school trip. Incredibly, my backpack went missing again! **18** _____ After Rome, I always kept my phone and other important items in my pockets.

Two weeks after the Florence trip, I received a phone call from the train company. They told me they had my backpack, and they would send it to my local station. I assumed it was my backpack from the school trip. **19** _____ Someone from the train company had found the backpack from Rome in a dusty old storeroom! Everything inside it was safe, and I finally got to share the photos with my family. **20** _____ I decided we should all go back to Rome for another holiday ... but this time, I would be much more careful with my things!

- A** I never travelled with the same train company again.
- B** When I arrived at the station, I couldn't believe my eyes!
- C** All my memories of Rome were in that backpack.
- D** I couldn't leave the station without my bag.
- E** It was so wonderful to see them.
- F** I knew I would never see my new phone again.
- G** I searched and searched, but it was nowhere to be seen!
- H** But, this time, there were no precious memories inside.
