- Do you think Olaf is a good friend? Why or why not?
-

Model Answer

In this scene, Olaf falls into the snow after Anna and Kristoff. He says, "I can't feel my legs!" but he is actually holding Kristoff's legs. It is funny because Olaf is confused and doesn't realize the mistake. Kristoff looks surprised, and Anna laughs. I like this scene because Olaf is always funny, even when something goes wrong.

I can't feel my legs!
