

This was generated by AI to give you a head start — not the final word. You know your students, your classroom, and your standards best, so give it a once-over and make it yours.

Instructions:

Mia and Max need to play a word game with you. Look at each word, think of the picture that goes with it. Once you've got a picture, click on the match button — Mia and Max will tell you if you're right or not. You can also click on the match button to see if you're right or not.

Canva Tips

- Select the image you want to use.
- Click on the image to see the options to edit it.
- Go to the Elements tab to add illustrations, shapes, patterns, colors, and more.
- Go to the Tools tab to adjust the image, crop, zoom, and more.
- Go to the Settings tab to adjust the image's size, position, and more.

Match the words with the pictures!

Mia and Max are ready to play a fun game with you. They love to find and match words with pictures. This helps them learn words like "cat," "dog," and more.

When you match words to pictures, your brain gets stronger at reading new words. Learning this way can be easy and lots of fun, just like a game. Get ready to spot words you know and connect them with friendly pictures!

Has a wagging tail, likes to bark, and loves to fetch sticks in the park.	This is stretchy and bouncy. It grows on a tree and is ripe for a snack.	Likes to chase mice, jump, and can jump on soft chairs at home.	Used to dig in the garden, helping flowers and plants grow big and tall.	Shines bright in the sky and gives us light during the day when we go outside to play.	You can kick, throw, or catch this during a game with your friends.

⚠️ One of these options doesn't have a match — can you spot it?
