3. Read the story below and answer the questions.

Last Saturday, Sam went to the park with his friend, Emma. Sam rode his red bike, and Emma brought her dog, Max.

At noon, they sat near the lake and had lunch. Sam ate a big cheese burger and drank apple juice. Suddenly, Max ran to a big tree and found a small wooden box on the grass! Inside the box, Sam and Emma saw a colorful map.

They walked to the ice cream shop near the park. Sam's dad came to meet them and bought three big ice creams for everyone. Sam gave a small piece of cone to Max.

At 4 o'clock, they got home. Sam was very happy, so he took out his notebook and wrote a short story about their adventure!
