

Places in Town - Reading Activities

Read the text about places in town.

This is my town. There is a beautiful park in the center. There are many trees and there are benches where people can sit. There is a church next to the park. There are also some important places in my town. There is a supermarket on Main Street. There is a pharmacy across from the supermarket. There are two hotels near the bank. There is a café on the corner. There are many shops and restaurants in my town. There is everything we need here!
