Part 3

Questions 11 – 15

Read the text about James Cracknell and the questions below.

For each question, circle the correct letter A, B, or C.

Azamat's Hospital

Azamat wanted to be a nurse, but his dream changed. Now he has his own small hospital. He works there every day and helps sick people. He likes his job because he wants people to be healthy.

In his hospital, Azamat works with doctors and nurses. They help patients with different health problems. Some people have a cough, a fever, or a headache. Others have stomach problems. Azamat talks to the patients and asks about their symptoms.

Last year, Azamat and his team visited a small village. Many people there were sick because they did not have clean water. Azamat and his team wanted to help them.

Before the trip, Azamat checked his health. He visited a doctor and took some medicine with him. He also prepared medicine for the people in the village.

A nurse at the hospital gave him advice. She said people in the village often feel sick. She told him to give them medicine, clean water, and rest. She also said it is important to eat healthy food.

In the village, Azamat helped many people. He gave them medicine and advice. He told them to drink water, rest, and sleep well. The people were very happy, and Azamat felt proud of his work.

11 What does Azamat do now?

- A He is a student
- B He has his own hospital
- C He works in a school

12 What do patients have in the hospital?

- A Only sports problems
