

LUKAS' PERSONAL INFORMATION

Hi everyone! My name is Lucas. I am 16 years old, and I live in Barcelona, Spain with my family. My family is small: my dad, my mom, my 12-year-old sister Sofia, and our friendly dog, Max.

On weekdays, my alarm rings at 7:00 AM. I put on my favorite oversized hoodie and sneakers, eat a quick breakfast, and walk to high school with my best friend, Leo. My favorite subject is Art because I love drawing comic books, but I really don't like Math it is super hard for me!

After school, I usually eat pizza or tacos my absolute favorite foods! In my free time, I like hanging out with my friends at the local skatepark. We love riding our skateboards, listening to pop and hip-hop music, and posting short videos on TikTok. On weekends, I usually stay in my room, play online video games with my classmates, or watch anime on my laptop.

What about you? What are your hobbies, and what do you like to do on weekends? It's awesome to meet you all!
