

Healthy Habits

Healthy habits help people stay strong and healthy. Anna is a university student. She wakes up at 6:30 a.m. every day. She drinks a glass of water before breakfast. She eats fruit, eggs, and bread for breakfast because they give her energy.

Anna walks to university every morning. She studies English and enjoys learning new words. In the afternoon, she eats vegetables, chicken, and rice for lunch. She also drinks plenty of water during the day.

After university, Anna exercises for thirty minutes. She sometimes rides her bicycle or goes for a walk in the park. In the evening, she does her homework and reads a book. She does not spend many hours on her phone before bedtime. She goes to bed at 10:00 p.m. and sleeps eight hours every night.

Anna believes that healthy habits make her feel happy, energetic, and ready to learn every day.
