Fantastic!

I'm really interested in cars, so this was an amazing day for me. I still can't believe that my first driving experience was in a Lamborghini and an Aston Martin! I've got a video of the whole thing. I'm glad about that, because on the day there's no time to look at the cars properly. As soon as you finish, the next driver gets in. I was a bit upset about that.

Liam

Fun day!

I was very surprised to get this activity day for my birthday, but indoor skydiving was awesome! I can't wait to go again. Before the activity, there are lots of hand signals to learn, so you can communicate when you're flying in the wind tunnel. You can't speak in there! At first, I was worried about forgetting them, but it was fine.

Jade

Amazing trip!

This was my first time in a helicopter, and I was quite nervous. I wasn't sure I wanted to do it. But there was no need to be afraid - in fact, I was sorry when it was over! I was in the front seat and the view was fantastic. The only problem was that we were back on the ground after only ten minutes.

Mia

Really special!

What a brilliant afternoon! First, there was a talk about the history of chocolate. Then it was time for the best bit - making and decorating our own chocolates! The teachers were lovely and happy to help with any problems. There were photos to buy afterwards, but they were really expensive. I was angry about that.
