## Activity 2

# Identify the Expressions

**Topic: Social Media for Teenagers**

Read the dialogue again.
Write the expressions into the correct column.

**Rina:** I think social media helps students learn many new things.

**Budi:** I agree. We can find educational videos and useful information easily.

**Rina:** However, some teenagers spend too much time online.

**Budi:** That's true. In my opinion, spending too much time on social media can reduce study time.

**Rina:** I don't think social media is completely bad. It depends on how people use it.

**Budi:** Exactly. We should use social media wisely and responsibly.
