F. Reading Comprehension

Read the passage and choose the best answer.

Life in the Future

Many people think life will be better in the future. Robots will help people do housework, so families will have more free time. Students will use computers and tablets in class. Some students may even study online from home.

Transportation will also improve. Cars will be faster and safer than they are today. Scientists are working on flying cars, and people may use them in the future. Cities will become greener because there will be more parks and fewer polluting vehicles.

People will also care more about the environment. They will recycle more and use clean energy. As a result, life may become healthier and more comfortable for everyone.

Choose the best answer.

1. ***What will robots help people do?***

A. Build schools B. Do housework

C. Drive buses D. Teach lessons

2. ***What may some students do in the future?***

A. Stop studying B. Work in factories

C. Study online from home D. Travel by plane every day

3. ***How will cars be in the future?***
