

## 2. Reading Comprehension 2

### *A Creative Hobby*

*Dear Alex,*

*I hope you are having a great week. I want to tell you about my new hobby. In my free time, I love making models. I usually build small model planes and cars.*

*It is a very creative activity. To make a model, I need cardboard, paper, and glue. First, I cut the cardboard into different shapes. Then, I use glue to put the pieces together. Finally, I paint the model to make it look real.*

*Making models is not easy. It requires a lot of patience. Sometimes, it takes me several weeks to finish one model. However, I enjoy this hobby because it helps me develop my creativity and focus. I always feel proud when I complete a model and display it on my desk.*

*What do you like doing in your free time? Please write back soon and tell me.*

*Best wishes,*

*Jamie*
