2- Translation

Hace algunos años, mi prima decidió aprender una habilidad poco común.

Mientras sus amigos pasaban horas en las redes sociales, ella practicaba todos los días después de la escuela. Desde entonces, ha participado en varios concursos y ha ganado algunos premios importantes. La gente dice que su dedicación debería ser admirada. Si hubiera abandonado su entrenamiento cuando era más joven, no habría alcanzado tanto éxito. El próximo año, habrá enseñado a decenas de estudiantes que quieren desarrollar el mismo talento.
