Paul Have you ever seen a crime, David?

David Yes, I have. It was last year in the town centre. I was (be) with Matt. We were coming (come) out of a shop and we <sup>1</sup>\_\_\_\_\_ (talk). In front of us, there was an old lady. She <sup>2</sup>\_\_\_\_\_ (carry) a bag. She <sup>3</sup>\_\_\_\_\_ (put) something into the bag, so she <sup>4</sup>\_\_\_\_\_ (not/look) where she <sup>5</sup>\_\_\_\_\_ (go).

Paul What happened?

David I saw a really big motorbike. It <sup>6</sup>\_\_\_\_\_ (come) towards us. There were two men on the motorbike. They <sup>7</sup>\_\_\_\_\_ (wear) helmets, so I couldn't see their faces at all. While they

<sup>8</sup>\_\_\_\_\_ (ride) past the old lady, the second man <sup>9</sup>\_\_\_\_\_ (take) her bag. The old lady fell over and the two men <sup>10</sup>\_\_\_\_\_ (ride) off.

Paul Did you help the old lady?

David Yes, we did. She <sup>11</sup>\_\_\_\_\_ (be) on the ground, but she wasn't hurt. Matt <sup>12</sup>\_\_\_\_\_ (help) her to get up. I had my phone with me and it's got a good camera. While the thieves <sup>13</sup>\_\_\_\_\_ (escape), I took a photo of them on the motorbike.

Paul Did you get the registration number?

David Yes, I did. We <sup>14</sup>\_\_\_\_\_ (go) to the police station and reported the mugging to them.
