

2. Guided Cloze 2

Read the following passages and choose the correct option that best fits each of the numbered blanks.

Protecting Your Skin in Summer

Summer is a wonderful time for many _____.(1). Many teenagers love swimming, cycling, or playing football with friends. However, the hot sun can affect our _____.(2) seriously. Without protection, we can easily get _____.(3) at noon. This makes our skin very red and painful. To protect yourself, you should always wear a _____.(4) when you go out. You must also use _____.(5) on your face and arms. Put it on twenty minutes before you go outside. If you get many _____.(6) on your skin after a sunny day, see a doctor. Do not touch or scratch these spots. Drink a lot of water to keep cool.
