baby be born child die get old grow up
middle-aged pensioner teenager young adult

Complete the gaps with the times of life words from the box.

adults baby born child die get old
grow up middle-aged pensioner teenager

Hi! I'm Jenny and I'm 14. I have two brothers. My oldest brother, Chris, is 28 and my other brother, Nick, is 24. Chris has two children. His son Alex is five and his daughter Olivia was (1) _____ in December. She's six months old. I love babysitting little Olivia – I think I want to work with young children when I (2) _____ .
My mum's 50 and my dad's 61. Dad doesn't work now. He's a (3) _____ . I think in 50 years when I (4) _____ I want to travel. There are lots of places I want to see before I (5) _____ .

6 Chris and Nick are _____ .
7 Jenny is a _____ .
8 Alex is a _____ .
9 Olivia is a _____ .
10 Jenny's mum is _____ .

Unit 6: *Have to* and *don't have to*

2 Complete the sentences with the correct form of *have to / don't have to*.

1 We *have to wear* (wear) blue T-shirts at rugby training.
2 Chess players _____ (concentrate) hard.
3 Sally _____ (not go) to badminton club today.
4 Sports stars _____ (train) a lot.
5 I _____ (not do) anything today.
6 Tennis players _____ (hit) the ball over the net.
7 _____ she _____ (practise) every day?

Choose the correct words.

You (1) *have to* / *don't have to* play golf with another person. You can play alone.

In rugby a player (2) *has to* / *doesn't have to* throw the ball to another player behind him. You can't throw it to a player in front of you.

Bowling's great because you (3) *have to* / *don't have to* buy any equipment. They give it to you when you play. Also it (4) *has to* / *doesn't have to* be a competitive game. You can play just for fun.

In chess the player with the white pieces (5) *has to* / *doesn't have to* move first. In some competitions they play with a clock. If you're playing with friends you (6) *have to* / *don't have to* do that.
