Alex: I'm Alex. Nice to meet you too, Alex! Are you studying Software Development?

Vale: Yes, I am! Today is my first day. What about you?

Alex: Me too! I'm a first-year student. Where are you from?

Vale: I'm from Esquel. And you? **3**

Alex: I'm from Rawson. So, do you have any programming experience, or is this all new to you?

Vale: I know a little bit of Python and basic HTML, that's all. Do you work or just study? **4**

Alex: I just study and you? **5**

Vale: I work part time in a tech store. **6**

Alex: That's cool!

Vale: Yes, it is! I'm around computers the whole day!
