Exercise 1. Read the passage carefully and circle the correct answers.

Cycling in London

If you enjoy cycling for pleasure, doing it in London can be a shock. There are not enough lanes, especially for bikes, and making your way through the traffic can be very risky. But if you have a **great passion**, cycling in London can be exciting, and it is an inexpensive way of keeping fit if you live there.

Some cyclists don't mind spending a lot of money on expensive bikes. However, if you just want a basic bike that is only for occasional use, there are many cheap choices. **Several markets have cheap bikes** sale, which may not be impressive to look at but should be satisfactory.

You should buy a cycling helmet if you want to cycle in London. Wearing a cycling helmet is not compulsory in Britain, but it is a good idea to wear one for protection.
