READING

Instructions: Read the following paragraph. First, underline eight partitives found in the text. Then, answer the questions below accordingly.

Planning a Birthday Party

Emily is planning a birthday party for her little brother, Jake, who is turning eight. First, she makes a list of all the things she needs. She buys a cake from the bakery. Jake loves chocolate, so she chooses a chocolate cake with colorful sprinkles.

For snacks, Emily prepares some sandwiches. She buys a loaf of bread, some cheese, and a pack of ham to make them. She also gets a bag of chips and a box of cookies for the kids to enjoy. Emily knows Jake loves fruit, so she gets a bunch of bananas, some apples, and a carton of strawberries. She also buys a bottle of orange juice and cans of soda for drinks.

When everything is ready, Emily checks the list again to make sure everything is set. She is excited to see Jake's face when he walks in and sees his surprise birthday party!

1. Who is Emily planning the party for?

2. What kind of cake does Emily buy for the party?

3. What snacks does Emily prepare for the party?

4. What ingredients does Emily buy for the sandwiches?

5. How does Emily feel about the party?
