When we arrived at the beach, I immediately took some photos with my camera. Then, my little brother played happily. Meanwhile, my mother and father sat under a coconut tree and prepared our lunch.

After that, my parents and I ate lunch together. After lunch, we decided to go home.

School Parade to Celebrate Independence Day

On August 17th, SMP Merdeka **held** a school parade to celebrate Independence Day. All students **joined** the event and so did Galang and his friends. They wore traditional Indonesian clothes from different regions. Some of them wore batik, kebaya, traditional shirts, and other Indonesian traditional outfits. They also **wore** many red and white attributes making the event more patriotic

In the beginning, as instructed, all participants **lined up** and started to march. **Then**, they marched along the decided route passing some villages near SMP Merdeka. The villagers were very excited to watch the parade passing their houses. Many of them stood along the street welcoming and cheering the parade

Not so long after, the parade **reached** the rest post. It was the place for participants to draw a door prizes coupon and have some drinks. **After** drawing a coupon, they **continued** to parade to their school as the final destination.

I was very happy because we had so much fun at school.
