9. My brother _____ (start) his new position at the firm next Monday.
10. It is possible that my family _____ (go) to the Italian restaurant on Friday evening.

READING PASSAGE: BALANCING MODERN WORK AND PERSONAL WELL-BEING

In modern society, many individuals struggle to maintain a healthy balance between professional responsibilities and personal well-being. Expert researchers recently surveyed working adults to investigate what factors contribute most significantly to personal happiness. According to the findings, having a successful career and earning lots of money can certainly provide financial security, but these factors do not guarantee long-term life satisfaction.

Instead, many participants emphasized that having a simple life with sufficient free time is far more valuable. Maintaining good physical health through regular exercise, eating balanced meals, and having a supportive family life were consistently ranked as top priorities. Furthermore, people who cultivate a strong sense of humour and maintain active social lives report significantly lower levels of workplace stress.

To manage chaotic schedules, many professionals now make precise arrangements in advance. They schedule appointments, organize meals, and book specific days off to spend uninterrupted time with relatives. However, some workers choose an alternative approach known as a staycation, where they spend their holiday time relaxing at home or doing local hobbies such as gardening, cycling, or playing musical instruments. Experts predict that in the future, people will prioritize these flexible lifestyle choices to improve their mental health and overall quality of life.

SECTION 5: READING COMPREHENSION - TRUE, FALSE, OR DOESN'T SAY

Determine if the following statements are True (T), False (F), or Doesn't Say (DS) based strictly on the text.

1. High earnings and professional success guarantee long-term life satisfaction. _____
2. Research shows that having ample free time is considered very valuable by many participants. _____
3. People with a good sense of humour tend to experience lower levels of stress at work. _____
4. Most surveyed workers stated that they prefer cycling over running for daily exercise. _____
5. Organising appointments in advance helps professionals manage busy working schedules. _____
6. A staycation involves travelling to remote international destinations for several weeks. _____
7. Gardening and playing music are examples of local activities mentioned in the text. _____

8. The survey was conducted across ten different major cities worldwide. _____
9. Experts believe that future populations will focus more on mental health and flexible living. _____
10. Eating balanced meals was identified as the single most expensive habit in the survey. _____

SECTION 6: READING COMPREHENSION - MULTIPLE CHOICE

Choose the correct option based on the text.

1. What is the main purpose of the passage?
 - A) To explain factors that contribute to personal well-being and life balance.
 - B) To promote international travel and expensive holidays.
 - C) To criticise modern working practices in large companies.
 - D) To explain how to earn high salaries quickly.
2. According to the text, earning a high salary:
 - A) Guarantees complete happiness.
 - B) Provides security but does not ensure satisfaction.
 - C) Prevents people from making social arrangements.
 - D) Is the primary goal of all young professionals.
3. Which of the following was NOT explicitly mentioned as a top health priority?
 - A) Eating balanced meals.
 - B) Taking expensive supplement products.
 - C) Exercising regularly.
 - D) Having a supportive family life.
4. Having a strong sense of humour helps workers to:
 - A) Reduce workplace stress.
 - B) Earn promotion faster.
 - C) Work longer hours daily.
 - D) Avoid doing housework.
5. Why do busy professionals book specific days off?
 - A) To spend quality time with their families.
 - B) To search for new employment.
 - C) To avoid doing physical exercise.
 - D) To study advanced academic courses.
6. What does the term *staycation* mean in the context of the text?
 - A) Spending holidays at home or doing local activities.
 - B) Staying late at the office to finish urgent projects.
 - C) Moving permanently to a new country.
 - D) Renting an apartment in a distant capital city.
7. What do experts predict regarding future lifestyles?
 - A) People will focus more on flexible living and mental health.
 - B) Workers will completely eliminate free time.
 - C) Modern companies will ban remote work.
 - D) Physical exercise will become unnecessary.

8. Which activity is mentioned as a potential staycation interest?
 - A) Cycling
 - B) Scuba diving
 - C) Skiing
 - D) Mountain climbing
9. What is one benefit of planning arrangements early?
 - A) It assists in managing busy schedules efficiently.
 - B) It guarantees earning higher annual bonuses.
 - C) It eliminates the need for personal relaxation.
 - D) It reduces the cost of public transport.
10. The overall tone of the reading passage can best be described as:
 - A) Informative and analytical.
 - B) Aggressive and critical.
 - C) Humorous and entertaining.
 - D) Mysterious and dramatic.

SECTION 7: MISCELLANEOUS ADVANCED GRAMMAR

Complete each sentence using the correct functional grammar phrase or structure based on Unit 6 (leaving messages, expressing probability, making arrangements). Absolutely no contractions.

1. Good morning, this _____ (be) a message for Mr Williams regarding tomorrow's schedule.
2. I am calling to _____ (remind / you) about the departmental meeting on Friday afternoon.
