

Listening exercise – Unit 2

Section A — Multiple Choice (Questions 1–6)

Circle the letter of the correct answer.

1. What is the main topic of Laura and Mateo's presentation?

- a) A cooking recipe
- b) A comparison between two products
- c) A weather report
- d) A job interview

2. According to the script, which product is cheaper?

- a) X-Eco
- b) Z-Normal
- c) Both cost the same
- d) It is not mentioned

3. Complete the sentence: "X-Eco is _____ sustainable option on the market."

- a) more
- b) the most
- c) most
- d) as

4. Which word does Mateo use to introduce a contrasting idea?

- a) First
- b) But / However
- c) Finally
- d) Also

5. What is the correct comparative form of "fast"?

- a) fastest
- b) more fast
- c) faster
- d) most fast

6. Which type of adjective follows the rule "change y → i, then add -ier / -iest"?

- a) Long adjectives (2+ syllables)
- b) Irregular adjectives
- c) Adjectives ending in -y
- d) Short one-syllable adjectives

Section B — True or False (Questions 7–12)

Write True or False next to each statement, based on the script above.

- 7. Laura represents the product Z-Normal in the presentation. (*True / False*)
- 8. According to the dialogue, X-Eco has higher quality than Z-Normal. (*True / False*)
- 9. The superlative form of "good" is "gooder." (*True / False*)
- 10. Mateo claims that his customer service is faster than X-Eco's. (*True / False*)
- 11. "More expensive" is the correct comparative form because "expensive" has two or more syllables. (*True / False*)
- 12. At the end of the script, Laura and Mateo ask the audience for their opinion. (*True / False*)
