FREETALK

My Real Food Choices: Healthy, Cheap or Just Convenient?

MIND MAP FOR THE QUESTIONS

1 What do you usually eat and drink on a busy school day?

Answer

On a busy school day, I usually consume a sandwich, some fruit and a bottle of water.

Detail

I choose this meal because it is quick to prepare and easy to carry in my school bag.

Impact

It provides useful nutrition and enough calories to keep me focused until lunchtime.

2 Do you think your diet is balanced? Why or why not?

Answer

My diet is fairly balanced because it includes carbohydrates, protein, healthy fat, fruit and vegetables.

Detail

A vegetarian or vegan diet can also be balanced if it provides enough protein and minerals.

Impact

A balanced diet supports my well-being and helps me concentrate at school.

3 What food do you often crave, even if it is not very healthy?

Answer

I often crave junk food, especially crisps and chocolate, when I feel tired or stressed.

Detail

These foods are high in calories, fat and sugar, so the craving can be difficult to suppress.

Impact

Therefore, I try to eat them in moderation and choose healthier snacks more often.

My Real Food Choices:
Healthy, Cheap
or Just Convenient?

4 What food do students often waste at school or at home?

Answer

Students often waste rice, vegetables and unopened drinks at school or at home.

Detail

They may take more food than they can eat or throw away meals they do not like.

Impact

Food waste costs money and increases the amount of rubbish.

5 Why do some people suffer from obesity or malnutrition?

Answer

People may develop obesity when they consume more calories than their bodies need.

Detail

Poverty can cause malnutrition, while cheap processed food may contain too much fat and sugar.

Impact

As a result, both conditions can seriously damage a person's health and well-being.
