[BÀI 2] CAMBRIDGE B1 PRELIMINARY (PET) – READING PART 5

A BETTER WAY TO SEE PHOTOS

For each question (21–26), choose the correct answer A, B, C, or D.

A Better Way to See Photos

These days, almost every photo can be changed before it is shared online. Small problems can easily be removed, and people can be made to look different from the way they really are.

Airbrushing is often used in advertisements because companies want their products to look attractive. However, some people believe that photos should not **(21)** _____ changed too much.

In the past, only professional photographers had access to expensive editing equipment. Today, photos can **(22)** _____ edited on a mobile phone in just a few minutes.

Some people feel unhappy when they see pictures of perfect-looking models. They often **(23)** _____ themselves to the people in these photos and become less confident about their own appearance.

For this reason, some organisations are trying to make people more aware of how photographs are changed. In some places, stricter rules have **(24)** _____ introduced for advertisements.

People are also encouraged to look at photographs carefully and think about what they see. In **(25)** _____, a photo on social media may not show exactly what a person looks like in real life.

Perhaps, in the **(26)** _____, people will become more comfortable with natural-looking photographs.
