

SELF AWARE - TEMPER CITY

Oh
no smoke with no fire

One way or another
You're going to put me out
Drinks flowing like water

Stay under the covers
(Oh) who knows how we'll end the night

**Just don't hang your hopes on me
I wanna feel something**

When you tell me that you love me

**But my mind gets in the way
I know you think that I'm**

**Oh, we could never be together
But it's nice to play pretend
I wish that I could lie
But I'm way too self-aware**

Mood swings like the weather

Oh, I love the way you're using your
imagination
Laws of attraction
Put 'em into practice

Just don't hang your hopes on me..
