At first I was afraid? I was _____

But then I _____ so many nights thinking how you did me wrong
And I _____ strong and I learned how to _____ along
And so you're back from outer space
I just walked in to find you here with that sad look upon your face
I should have _____ that stupid lock, I should have _____ you leave your key
If I'd have_____ for just one second you'd be back to _____ me

[Chorus]
Go on now, go, walk out the door
Just turn around now, 'cause you're not welcomed any more
Weren't you the one who tried to _____ me with goodbye?
You think I'd _____? Did you think I'd lay down and die?
Oh, no, not I, I will survive
Oh as long as I know how to love, I know I'll stay alive
I've got all my life to live, and I've got all my love to give
And I'll survive, And I'll survive, hey, hey
