Instruction: Read each paragraph carefully. Identify the main idea of the paragraph and then write the topic sentence.

Paragraph 1

Every Saturday, my family goes to a park in our town. We play soccer, ride our bikes, and have a picnic under the trees. Sometimes, we buy baleadas and fresh fruit to share. My little brother likes to play with other children, while my parents enjoy talking and walking around the park. We always have a great time together.

Paragraph 2

The scarlet macaw is a beautiful bird that lives in Honduras. It has bright red, blue, and yellow feathers. It eats fruits, seeds, and nuts. Scarlet macaws often live in pairs or groups and make loud sounds to communicate. They are an important part of Honduras' wildlife.

Paragraph 3

Our classroom is bright and clean every day. We have colorful posters about Honduras on the walls and many books on the shelves. Sometimes, we work in groups and share ideas about our country. Our teacher helps us learn new things, and everyone works together during class. It is a comfortable place to study.

Paragraph 4

Fruit is an important part of a healthy diet in Honduras. Bananas, mangoes, pineapples, and oranges are common fruits that many families enjoy. They contain vitamins and give us energy. People can eat them at home, take them to school, or enjoy them as a fresh snack. Eating fruit is a delicious way to include healthy foods in our daily lives.
