Watch the video and answer the questions

1. What does Paige say about choosing the right swimsuit, and what features should a swimsuit have to make swimming more comfortable and efficient?
2. What are the main purposes of a swim cap, and why does Paige personally prefer a silicone cap over latex or fabric ones?
3. How does Paige wear her swim cap, and why does she put her hair in a high bun rather than a low bun?
4. What advice does Paige give about wearing goggles, including how tightly they should fit, where she puts them, and what swimmers should do if they become foggy or fill with water?
5. Why does Paige use dark-tinted goggles outdoors, and what types of goggles does she recommend for indoor pools and open-water swimming?
6. What is the MySwimPro app, and how does it help Paige during her swimming workouts?
7. How does the app personalize workouts for individual swimmers, and what kinds of drills, techniques, or information can it provide during a workout?
8. What swimming statistics can the app track, and how can tracking the number of strokes per lap help a swimmer understand their performance?
9. What different ways of using the MySwimPro workout plan does Paige mention, and why does she say that a smart watch isn't necessary?
10. Imagine you are a beginner swimmer who has never bought swimming equipment before. Based on Paige's advice, what would you choose to wear and use, and what specific features would you look for?
