Reading Text: The Cub

In December, Norman and Lisa went on a winter holiday with their parents. It was very cold. One day, they found a big cave in the mountains. They thought there was a big black monster, but it was a small cub that couldn't walk. They took the cub to the vet. The vet treated the cub and advised them to return it to its mother. They took the cub back to the cave and waited. Soon, the mother bear came and took the cub back into the cave. The children were very happy!
