I just love clothes! My best buy last year was a pair of bright red boots. Cool! I wanted to get some like my brother's. His are green, but now I like mine best. I'm wearing them right now.

I got my best buy yesterday! My parents bought me warm things for my skiing holiday – socks, gloves and scarf. Then I saw an amazing black and purple jumper with pockets. I don't really need it, but I bought it anyway.

Your clothes sound amazing! Mine are all so boring! Dad takes me shopping, and he buys me what *he* likes. Yuk. Last week he bought me a pale grey suit and a pale green tie for my cousin's wedding! They're just like his! Can you believe it! You're both so lucky.

Tell your dad it's great he wants to buy your clothes for you, but say you want to choose them sometimes. I got things for a holiday. I got pale blue swimming shorts and sunglasses. Oh, and black trainers – the best thing is a bright blue cap!

What great clothes – except the suit (sorry, Ed!). My sister and I always like the same clothes and our best buys last summer were swimming costumes! Mine is pink and hers is green. They look great!
