PART C Error Correction

LABEL the main idea and supporting idea. Then Type MI for main idea and S1, SI2 and S3 for supporting ideas and CS (closing sentence /ayat penutup). An example is given below .

TAIP dan Labelkan perenggan berikut dengan MI (idea utama/idea topik), ***S1 S2 S3 dan CS untuk Idea-idea sokongan dan CS untuk Ayat penutup.***

Example

MI	Cycling is a popular sport for three reasons.
S1₁	First , You can cycle on the road , on a hill (go offroad) or join a cycling adventure or competition.
S1₂	Second, Road cycling is enjoyable because you can join a cycling group.
S1₃	If you prefer cycling in natural surroundings, you may cycle near a forest or on gravel roads. Next, some people cycle in order to win competitions. Athletes use very light bicycles.
CS	Thus, cycling is a popular sport because it is versatile, enjoyable and exciting.

MOBILE LEGEND

	The video game Mobile Legend is very popular because of several reasons. First of all, it is very easy to learn because very little skill is needed. Players with basic skills can learn quickly. Next,there are short tutorials . By watching the tutorials, anybody can learn quickly. Another advantage is we can play in areas with weak internet. Besides, you can play Mobile legends although you have no gaming experience. Lastly you do not need to buy an expensive cellphone because any cellphone can be used. Therefore, mobile Legend is a very popular online game because it is easy to learn and is easily accessible.
