At the Beach 

I went to the beach with my family last weekend. The weather was sunny and warm. The sea was blue and calm. First, we built a sandcastle. It was big and tall. Then, we collected seashells. I found many pretty shells. After that, we played in the water. We splashed and swam. Later, we sat under the umbrella and ate our snacks. We had a great time at the beach! I can't wait to go again.
