I will survive

By Gloria Gaynor

1.Match the words with definitions

crumble		to leave a place or relationship
mend the pieces of my broken heart		to become very sad or unable to cope
feeling sorry for myself		to feel proud and confident
hold my head up high		to feel sad for yourself because of a difficult situation
walk out the door		to recover emotionally after being hurt
fall apart		to become emotionally weak or lose hope

2 Listen to the song and complete the sentences with phrases from exercises 1

It took all my strength not to _____
Trying with all my might to _____
I spent so many nights _____
How I cried
But now I _____

And you see me, somebody new
I'm not that lonely little person
Still in love with you
Now you come droppin' in
Expectin' me to be free
Now I'm saving my lovin'
For someone who's loving me

Go on and go, _____
Turn around now
You're not welcome anymore
You're the one who tried to hurt me with goodbye
Thinkin' I'd crumble Did you think I'd lay down and die?
No, not I, I will survive
Long as I know how to love, I know I'll stay alive
I've got my life to live, and all my love to give
And I will survive
I, I will survive
