2 Listen and order the lines. Sing. 18

It's show time!

1 We've put on our costumes.	1 It's show time! It's show time!	1 We've put on our make-up,
___ We're ready for our play.	___ Let's all be stars tonight.	___ In front of all the school!
___ So we know what to say.	___ The stage lights are so bright.	___ We're out on the stage now.
___ We've learnt all our words now.	___ It's show time! It's show time!	___ We all look really cool.
