Hi Jane!

I am writing to tell you about myself!

As you know, I am eleven and I am from Russia. I am learning English in London at the moment. When my course finishes, I will go back to Moscow.

I like ¹_____ computer games, riding a bike and walking with my friends.

I also like my school and my teachers. My favourite subject is ICT and I want to become an app developer when I ²_____ up. I like travelling and every year my parents and I go to different places. I have been to Italy, France and Turkey but I have never ³_____ your country, Iceland. If I ⁴_____ enough money, I would go to Iceland. Unfortunately, it is very expensive.

I have a big family. I have a sister, a mother, a father, grandparents and many aunt, uncles and cousins, but they all live in Russia. I ⁵_____ like my father - have dark hair and I am tall. As for my character, I ⁶_____ like my mother, friendly and talkative.

Do you have a big family?

What do you like doing?

Do you like your school?

I'm looking forward to hearing from you.

Best wishes,

Anton.
