

Volumen

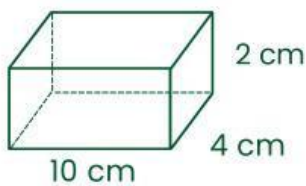

Para encontrar el volumen de un prisma rectangular, multiplica el largo por el ancho por la altura.

Volumen = largo $\times$ ancho $\times$ alto

Volumen = 3 cm $\times$ 5 cm $\times$ 12 cm

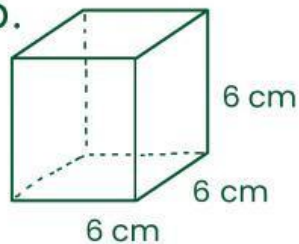

Calcula el volumen de cada prisma rectangular.

a.

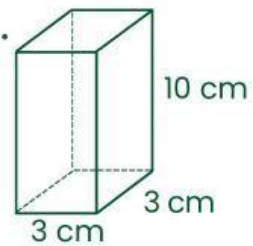

Volumen= _____

b.

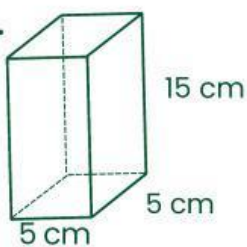

Volumen= _____

c.

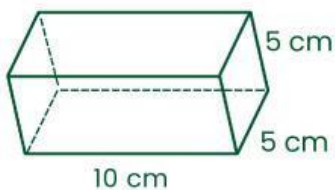

Volumen= _____

d.

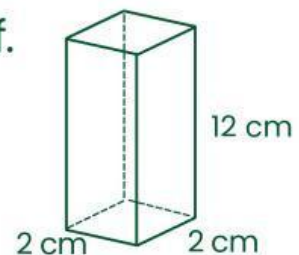

Volumen= _____

e.

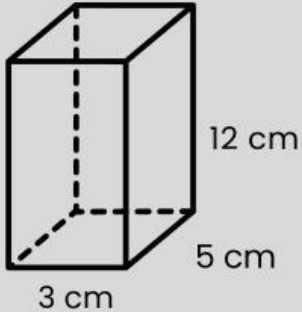

Volumen= _____

f.
