cork cotton leather metal plastic wool

THEY'RE MADE OF...

WHAT

Are you wearing a pair of leather boots? Is your jumper made of wool? Are your shorts made of cotton? Sorry, that's not cool! You need to wear clothes made of something else.

1 What do you do with your old tin cans? Do you recycle them? What happens to them next? Well, some people use them to make clothes. This dress is made of metal from old food cans. It looks good, but maybe it's a bit noisy when you move.

2 Cork comes from the outside of some trees in countries like Portugal and Spain. We usually find corks in the top of bottles, but you can use cork for other things too. Did you know you can use it to make clothes, handbags, hats and shoes? It's very popular in the big fashion houses.

3 What do you do with your plastic knives and forks after your picnic? Do you recycle them? Do you collect them? Some people do. In fact, they make jewellery out of them. Can you believe it? This designer has made hers into an amazing hat.

4 This dress won a prize in the yearly Toilet Paper Wedding Dress contest! You need a lot of toilet paper and, of course, you don't want to go out in the rain when you're wearing it.

5 Everyone needs shoes and lots of people drive cars. When you change your car tyres, why not use the old ones to make ... shoes! They are easy and cheap to make, and they don't look bad.
