BÀI 3 FLYERS READING PRACTICE

SCANNING & FACT FINDING – UNIT 9

Read each short text. Complete the sentence with the missing information. The information is in the text.

1 The Camping Trip

Harry and Holly went on a camping trip with their classmates. They put up their tents near a river. The children played games and talked together.
In the evening, they sat around a fire. Everyone was very happy.

1. **The children put up their tents near a _____.**

2 A Walk in the Forest

After breakfast, Holly and Harry went for a walk. They were walking through the forest with their teacher. The children saw many trees and some small birds. They stopped to take some photos. Then they went back to the camp.

2. **Holly and Harry were walking through the _____ with their teacher.**

3 Harry's Torch

It was getting dark when Harry and Holly left the camp. Harry took a torch with him because they needed some light. They walked slowly along a small path. Holly was carrying a map. They soon arrived back at the tents.

3. **Harry took a _____ with him because they needed some light.**

4 The Cave

The children were exploring the hills when they found a hole between some rocks. It was the entrance to a cave. They looked inside with a torch. The cave was very dark and deep. They decided not to go too far inside.

4. **They found a hole between some _____.**

5 Some Animals

Holly and Harry were sitting near the river when they saw two swans. The birds were swimming slowly on the water. The children watched them quietly. Then the swans flew away. Holly took a photo before they disappeared.

5. **Holly and Harry saw two _____ near the river.**

LIVEWORKSHEETS

6 The children finished their dinner at about eight o'clock. They were sitting around the fire and telling stories. One boy was reading a magazine. Another girl was eating some biscuits. Everyone was enjoying the evening.

6. **The children were sitting around the _____ and telling stories.**

7 Harry and Holly went into the cave with their teacher. While they were walking inside, they saw some bats on the cave wall. The bats were sleeping quietly. The children stopped and looked at them. Then they walked back to the entrance.

7. **The children saw some _____ on the cave wall.**

8 In the afternoon, the children climbed up a small hill. From the top, they could see the river and the forest. The sun was shining, and the sky was blue. Holly took some pictures of the beautiful view. Then they walked back to the camp.

8. **Holly took some pictures of the beautiful _____.**

9 It was late at night when Harry heard a strange noise. He was lying in his tent when he heard something outside. He felt frightened and called his teacher. The teacher came quickly and checked the area. There was nothing dangerous outside.

9. **Harry felt _____ when he heard the strange noise.**

10 The camping trip ended on Sunday morning. The children packed their rucksacks and cleaned their tents. Then they walked down the hill with their teachers. Everyone was tired but happy. They talked about their camping adventure on the way home.

10. **The children packed their _____ before going home.**
