

What To Do On A Date (1950)

1. What about asking Kay to come to the _____ center with us on Friday to _____ up that _____ sale
2. What may group and double dates give couples?
3. How did Kay describe her impressions of Nick while talking to her friend?

4. What was Nick's idea of a perfect date through the eyes of a girl?

5. What is a swell time for Kay?

6. Take a quiz via the link, get the result and ponder whether you agree with it or not. If it's possible, make your partner do the same activity and tell if you'd like to have the date they have in the result
