Ex7. READ and CIRCLE the correct answer.

MOMS AND DADS WANT KIDS TO EAT VEGGIES

Kids are not eating good food. Many of them are not healthy. They are eating things that are not good for them, and they are not eating their veggies.

Moms and dads are not happy. The schools are not happy. They had an idea. Parents can pay for the lunches before the kids eat them. They can say if they want them to eat junk food. They can say if there are things the kids cannot eat. They can say if there are foods that make the child sick.

The child goes to school. At lunch, he or she punches a number. The machine looks at the food. If the child has things that mom and dad say he or she cannot eat, that food gets put back.

Some people like the idea. They think it is good. Other people do not like it. They want kids to learn to make healthy choices by themselves.

36. From the passage, what doesn't make moms and dads happy?

- A. Kids are playing video games a lot. C. Kids sleep at school.
B. Kids don't like eating vegetables. D. Kids have a lot of homework.

37. When do the parents pay for the lunches?

- A. after the children eat lunch C. after the children go home
B. before the children sleep D. before the children eat lunch

38. What will happen when the children get the food that they cannot eat?

- A. They don't have lunch.
- B. They eat all the food.
- C. The machine gets the food back.
- D. The children go home to eat lunch.

39. What does the word "**choices**" mean?

- A. lunches
- B. options
- C. vegetables
- D. drinks

40. How do people feel about the idea?

- A. Some like, but others don't like it.
- B. No one likes it.
- C. All people like it.
- D. Only the parents like it.
