

Name _____ Date _____

Language worksheet 1A

Work out the answers.

Is the answer a positive number, a negative number or 0? Tick (✓) the correct box.

At the funfair	Answer	Positive	Negative	0
1 You have \$6 to start with. You buy some popcorn for \$4. How much money do you have left? 				
2 You pay to go on the bumper cars for 10 minutes, but they stop at 7 minutes. How many minutes are left? 				
3 You have \$2, but you find \$20 on the ground. You find the man who dropped the money and give it to him. He is very happy and gives you \$5. How much do you now have?				
4 You have \$7. You pay for a ride that costs \$7. How much do you have left? 				
5 You want to buy a big teddy bear for your baby brother. It costs \$12, but you only have \$7. How much more do you need? 				
6 Your sister owes you \$5 from yesterday. She gives you \$15. How much money do you owe her now?				
7 Outside at the funfair it is 28 degrees Celsius. Inside the ice-skating rink it is 31 degrees colder than outside. What is the temperature in the ice-skating rink?
