

Practice with Passive Constructions

Change these active sentences to the Passive Voice.

Don't say who did the action in the passive sentence.

1. Housing associations repair rented accommodation very slowly.

2. Landlords are not renting new housing to people on low incomes.

3. The government has changed the laws on evictions.

4. The British state built lots of social housing in the 1960s and 70s.

5. At that time, councils were demolishing Victorian slums.

6. Bombing had damaged many houses in World War Two.

7. Property developers will install more solar panels and heat pumps to fight climate change.

8. Climate change is going to overheat homes in the UK due to rising temperatures.
