

LISTENING & THINKING WORKSHEET

Academy Stars 3 – Second Edition | Unit 7: Once Upon a Time

Topic: A day at the park

Name: Class: Score:/20

I. LISTENING AND CHOOSE THE BEST ANSWER (10 points)

1. Where are the boy and his dad spending their time together?
 - A. They are spending time together at home because the weather is bad.
 - B. They are spending time together in the park while they are playing football.
 - C. They are spending time together near the school after finishing their lessons.
2. What is the boy carrying while he is walking in the park?
 - A. He is carrying a football because he wants to play with his dad.
 - B. He is carrying a bag because he is going home from school.
 - C. He is carrying some food because they are having a picnic.
3. What happens while the boy is playing football with his dad?
 - A. The boy falls down because he is running too quickly.
 - B. The dad loses his football because he kicks it too far.
 - C. The ball suddenly rolls into the pond while they are playing.
4. Where does the ball go after the boy kicks it?
 - A. It rolls under a table near the pond.
 - B. It rolls into the pond, where a duck is swimming nearby.
 - C. It rolls across the park and stops next to a tree.
5. Who tries to get the ball out of the pond?
 - A. The boy tries to get the ball because he wants to continue playing.
 - B. The duck tries to get the ball because it is swimming near it.
 - C. The boy's dad tries to get the ball because his son cannot reach it.

6. Why does the dad try to get the ball from the pond?
- A. He wants to give the ball back to his son so they can play football again.
 - B. He wants to throw the ball to the duck because it is swimming nearby.
 - C. He wants to take the ball home because they have finished playing.
7. How does the boy probably feel after his dad gives him the ball back?
- A. He probably feels worried because he does not want to play football anymore.
 - B. He probably feels happy because he can play football with his dad again.
 - C. He probably feels surprised because he has never seen a pond before.
8. What do the boy and his dad do after the dad gets the ball?
- A. They go home immediately because the ball is wet.
 - B. They sit beside the pond and watch the duck swimming.
 - C. They start playing football together again because they have the ball back.
9. Why does the story have a happy ending?
- A. Because the duck helps the dad find another football in the park.
 - B. Because the dad gets the ball back and the boy can continue playing with him.
 - C. Because the boy decides to leave the park and take the duck home.
10. What is the main idea of the story?
- A. A boy and his dad have a small problem while playing football, but they solve it and continue having fun together.
 - B. A boy goes to the park because he wants to find a duck and play with it near the pond.
 - C. A dad takes his son to the park because he wants to teach him how to swim in a pond.
