ENGLISH DIAGNOSTIC TEST

“Let’s promote healthy habits during COVID – 19 among children and teens”

READING

1. Read the text about some preventive measures when children and teenagers go out from home.

HELP TO STOP THE COVID – 19 SPREAD AMONG CHILDREN AND TEENS

How can parents help to protect children and teens from COVID – 19?

WASH HANDS

- FLAG Make sure your children wash their hands with soap and water at least for 20 seconds, frequently.
- FLAG If they don't have water and soap at hand, make sure they use instant hand sanitizer.

AVOID DIRECT CONTACT

- FLAG Keep your children at least 2 meters apart from other people when they go to public places.
- FLAG Avoid travelling in public transport.
- FLAG Stay home as much as possible.
- FLAG Don't make or go to parties.
- FLAG Don't visit relatives or friends.

WEAR A FACE MASK

- FLAG Help your kids to wear a mask correctly when they are in public places or around people that don't live with them.

CLEAN AND DISINFECT

- FLAG Clean and disinfect all the surfaces you touch as tables, door handles, light switches, remote controls, desks, toilets and sinks frequently.
