

VOCABULARY PRACTICE • LIST 5

GRADE 4 PRIMARY

Unit 5: Sharing the Planet • Science, Systems & Sustainability

Name: _____

Date: _____

Score: _____ / 21

Part 1: Match the Word with its Meaning

Write the matching letter (A–G) in the box next to each vocabulary word.

- | | | |
|--------------|--------------------------|--|
| 1 Mediator | ☐ | A. A special feature or characteristic you can observe (like color or shape). |
| 2 Chemical | ☐ | B. To use an object again instead of throwing it into the garbage can. |
| 3 Property | ☐ | C. A chart or diagram showing the jobs and connections in an organization. |
| 4 Substance | ☐ | D. A neutral peacemaker who helps people solve an argument fairly. |
| 5 Organigram | ☐ | E. To use less of something (like water or plastic) to prevent waste. |
| 6 Reduce | ☐ | F. A distinct kind of matter with specific ingredients that can react in science. |
| 7 Reuse | ☐ | G. A specific type of matter with the same makeup throughout (like water or salt). |

Part 2: Unscramble the Sentences

Put the words in the correct order to write a complete sentence. Start with a capital letter and end with a period.

- solved / fair / mediator / the / student / conflict / our
- reaction / vinegar / baking soda / and / created / a / chemical
- flexibility / physical / a / is / rubber / of / property
- pure / a / natural / water / is / wonderful / substance
- teacher / school / an / drew / clear / organigram / our
- faucets / turn / off / to / water / reduce / waste
- we / can / boxes / cardboard / for / reuse / crafts

Part 3: Complete the Sentences

Choose the correct word from the word bank to complete each sentence. Use each word only once.

Mediator • Chemical • Property • Substance • Organigram • Reduce • Reuse

- When two friends were arguing on the playground, a peer _____ helped them talk it out.
- In the laboratory, mixing two liquids caused a bubbling _____ reaction.

- 3 Hardness is an observable physical _____ of a diamond or a rock.
- 4 Salt is an everyday white _____ that dissolves easily in warm water.
- 5 Our principal showed us a school _____ that displays each team leader and committee.
