Question 3 Comprehension (Read then answer the questions)

Fast food is the food sold in many inexpensive restaurants as McDonald's, Kentucky and Hardee's . It is called "Fast" because you get your food very quickly. It might take you only twenty minutes to get in, order your meal, eat it and leave. The kinds of food served in those restaurants are beef and cheese burger, hot sausage, fried chickens and French fries which are full of fats and carbohydrates. A fast food meal also includes a soft drink like cola, soda, juice or milk shake.

Choose T or F

- 1-. It is called "Fast" because you get your food very quickly (T - F)
- 2- French fries are full of fats . (T - F)
